Who will carry out the work, include relevant experience and qualifications:

Signed:

Dated:

Please complete by hand and scan or use the built in fill & sign feature in your favourite PDF viewer. Once this document has been completed please email to [sales@ukgamingcomputers.co.uk](mailto:sales@ukgamingcomputers.co.uk) with the subject of **Warranty Extension for Chassis Intrusion Request**. Requests will be answered within 14 days of receiving the completed form. UK Gaming Computers reserves the right to turn down any application.

Once your application has been authorized or declined, you will receive an email response. If your application is authorized, you will have 14 days to carry out the upgrade. Once the upgrade is successful please email us requesting another warranty sticker so that you can install it and send us a photo. If this request is for a newly delivered system that requires warranty activation then please make this request before applying your warranty seal.

Please be aware when altering the specification of your system and performing an upgrade yourself any research and compatibility checks is the responsibility of yourself.
